Health history for hair test 972

- 1) I have eczema and hives and hay fever sometimes. I always had allergies from when I was young. The past few years, I was getting headaches because my back amalgams fillings were cracking so I had all of them taken out.
- 2) Got fillings in for cavities when I was young - 6 of them. Wisdom teeth were removed. I have clear braces now, to be off in a couple months.
- 3) I have white composite fillings - I had the last 5 of amalgams taken out in 2012.
- 4) I'm not sure.
- 5) I've had MMR, Polio and DPT when I was young. I had the flu shot intermittently throughout the years, not in the last 2 years though.
- 6) Magnesium glycinate
